Discount:	25%
Available:	ready for shipping
Price:	**3.467,37 €** **(nett:2.913,76 €)**

Product description

This set of 20-inch "Cayenne Design" winter wheels is specially designed for the Porsche Cayenne E3/9Y0 II (facelift from 2023, not suitable for the Cayenne Coupé). The wheel combination includes rims in sizes 9J x 20 ET50 and 10.5J x 20 ET64, which ensure an optimal fit and excellent driving stability. The mounted NEW Pirelli winter tyres in sizes 255/55 R20 and 295/45 R20 offer excellent traction and safety in winter weather conditions.

In addition, the wheels are equipped with TPMS (tyre pressure monitoring system) sensors that constantly monitor the air pressure and thus contribute to driving safety. The rims and tyres are new or as good as new, with the rims showing low mileage and possibly minimal signs of use or storage. The tyres are factory new (0 km mileage).

The OEM number for this wheel set is 9Y0044605AB, which confirms its authenticity and quality as a Porsche genuine part. This product is ideal for drivers who do not want to compromise on the performance and aesthetics of their Porsche Cayenne, even in winter.

Technical specifications

Front rims:	Article number: 9Y0601025CT88Z Quantity: 2 Rim width: 9J Rim diameter (inch): Offset (ET):
