Product description

This original Porsche 911 model 993 Carrera RS wheel rim from Speedline, size 10J x 18 ET65, has the OEM number 99336214081 and is specially designed for the Porsche 911 model 993. The rim is used and shows visible signs of wear, as shown in the pictures. It is made of high-quality material and finished in silver, giving it a classic and elegant look. The rim is suitable for the rear axle as it can be mounted on both the left and right sides (L=R). With a width of 10J and an offset (ET) of 65, it offers an optimal fit and ensures excellent driving stability and handling characteristics. Although the rim shows signs of wear and needs restoration, it remains an authentic Porsche original part, which may be of particular interest to collectors and enthusiasts. The rim is ideal for Porsche 911 993 enthusiasts looking for original parts for the restoration or preservation of their vehicle. Please note that due to its used condition and the need for restoration, the rim is considered a project for enthusiasts and connoisseurs who are willing to invest time and resources in its restoration.
