Product description

This Porsche 911 18" GT3/SportDesign wheel rim set is an exceptional choice for Porsche enthusiasts looking to enhance the aesthetics and performance of their vehicles. Designed specifically for the Porsche 911 models 993 and 996, this set includes two front rims sized at 8J x 18 with an offset of ET52 and two rear rims sized at 10J x 18 with an offset of ET65. This configuration ensures a perfect fit for Porsche 911 Model 993 C2/C4/Targa and 996 C2/C4/Targa Facelift models from the years 2002 to 2004.

The rims are part of the GT3 SportDesign series, known for its superior quality and performance enhancement. Each rim carries the OEM number 00004460109, confirming their authenticity as original Porsche parts. The condition of these rims is listed as used, but they are in very good condition and undamaged, ensuring they maintain both aesthetic appeal and functionality.

This set not only improves the visual appeal of your Porsche but also contributes to better handling and stability, thanks to the precise engineering standards of Porsche. Whether you're upgrading for aesthetic reasons or performance improvements, this wheel rim set is an excellent investment for any Porsche owner.
