Product description

This original Porsche 911 991 18" GT3 CUP wheel in size 12J x 18 ET53 impresses with its elegant design in matt black. The wheel has been specially developed for the Porsche 911 model series 991 and fits this vehicle type perfectly. With the OEM number 9913621518AJE1, this rim guarantees the originality and highest quality you would expect from Porsche. The rim is used but in very good condition and undamaged. As an original Porsche part, it not only offers an excellent fit and performance, but also an impressive look that enhances the appearance of your vehicle. The silk matt black finish gives your Porsche a distinguished and dynamic look. The product has a width of 12J and an offset (ET) of 53, which ensures optimum alignment and balance of the wheel. The rim is suitable for both the left and right sides of the vehicle and is designed for mounting on the rear axle.

In summary, the Porsche 911 991 18" GT3 CUP wheel is an excellent choice for vehicle owners who value quality, aesthetics and originality. It offers a perfect combination of style and functionality that significantly enhances the driving experience with your Porsche 911 model 991.
