Product description

This set of Porsche 911 992 Sport Classic II "911 Turbo 50 Years" rims offers an exclusive combination of aesthetics and performance, specially designed for the Porsche 911 model 992. The wheel set consists of two different sizes: front wheels in the dimension 9.5J x 20 ET44 and rear wheels in the dimension 12J x 21 ET70, which guarantees an optimal fit and excellent driving characteristics.

The rims are painted in a shimmering high-gloss white, giving your vehicle a striking and stylish look. This special set was developed in honour of the 50th anniversary of the 911 Turbo and reflects Porsche's long tradition and innovation in rim design.

The OEM number for this set of rims is 992601025DQC9A KPL, which confirms the authenticity and high quality of these original Porsche parts. The rims are new or as good as new, come from new cars with low mileage and show minimal signs of use or storage.

This set of wheels is not only a visual enhancement, but also an investment in the driving performance of your Porsche 911 model 992, offering improved road holding and more precise steering response. Ideal for enthusiasts who value both aesthetics and technical perfection.
