Available:	ready for shipping
Price:	4.172,87 € (nett:3.506,61 €)

Product description

This set of 20" Carrera S III winter wheels is specially designed for the Porsche 911 model 991.1 Carrera and Carrera S (rear-wheel drive, pre-facelift, built between 2011 and 2015). The wheels feature an elegant platinum silk matt finish, which is not only visually appealing but also offers high resistance to environmental influences. The set consists of two front tyres measuring 8.5J x 20 ET51 and two rear tyres measuring 11J x 20 ET70. These dimensions ensure an optimal fit and excellent driving performance in winter conditions. The wheels are fitted with high-quality Pirelli winter tyres, 245/35 ZR20 at the front and 295/30 ZR20 at the rear. These tyres offer excellent traction and safety on snow and ice.

Important note for installation: These wheels are intended for vehicles without a tyre pressure monitoring system (TPMS sensors). Please ensure that your vehicle meets this specification before making your purchase.

The OEM number for this wheel set is 99104460035, which confirms its authenticity and high quality as Porsche genuine parts. The product condition is new, meaning that the items are new, unused and undamaged. This winter wheel set is an excellent choice for Porsche 911 drivers who do not want to compromise on performance and style during the winter months.

Technical specifications

Front rims:	Article number: 99136216104OB5 Quantity: 2 Rim width: 8,5J Rim diameter (inch): Offset (ET):
