Available:	ready for shipping
Price:	4.284,82 € (nett:3.600,69 €)

Product description

This set of 20" Carrera S III winter wheels is specially designed for the Porsche 911 model 991.1 Carrera and Carrera S (with rear-wheel drive, pre-facelift, built between 2011 and 2015). The wheels are finished in platinum and not only enhance the aesthetics of your vehicle, but also offer outstanding winter performance.

The set consists of two front wheels in size 8.5J x 20 ET51 and two rear wheels in size 11J x 20 ET70. These dimensions ensure an optimal fit and excellent driving stability, even in winter conditions. The wheels are fitted with high-quality Pirelli winter tyres - 245/35 ZR20 at the front and 295/30 ZR20 at the rear. These tyres offer excellent grip and a high level of safety on snow and wet roads.

In addition, the wheels are equipped with TPMS sensors (tyre pressure monitoring system), which constantly monitor the pressure in the tyres and thus provide an additional level of safety. The OEM number for this wheel set is 99104460036, which confirms its authenticity and specific fit for the Porsche models mentioned. As a new, unused and undamaged item, these wheels meet the highest quality standards of Porsche genuine parts. This winter wheel set is an ideal choice for Porsche 911 991.1 owners who do not want to compromise on performance and style, even in winter.

Technical specifications

Front rims:	Article number: 991362161040B5
	Quantity: 2
	Rim width: 8,5J
	Rim diameter (inch):
	Offset (ET):
