Product description

This set of 20-inch Porsche Cayenne Sport Classic summer wheels is specially designed for the Porsche Cayenne E3/9Y0 model (built between 2018 and 2023, before the facelift), with the exception of the Cayenne Coupé. The wheel combination includes rims in sizes 9J x 20 ET50 and 10.5J x 20 ET64, finished in an attractive high-gloss black. These are fitted with brand new Pirelli summer tyres in sizes 275/45 R20 and 305/40 R20, which offer optimum performance and grip on both dry and wet road conditions.

The rims are equipped with TPMS (tyre pressure monitoring system) sensors, which constantly monitor the air pressure and thus ensure increased driving safety. The rims themselves are as good as new with low mileage and may show minimal signs of use or storage, while the tyres are brand new (0 km mileage).

The OEM number for this wheel set is 9Y0044661E 041, which confirms its authenticity and quality as a Porsche original part. This wheel set is an excellent choice for drivers who value aesthetics and performance and want to equip their Cayenne with high-quality, stylish and functional summer wheels.
