Price:	5.256,83 € (nett:4.417,50 €)

Product description

The 20" Cayenne Sport winter wheel set for the Porsche Cayenne E3/9Y0 I (pre-facelift, built between 2018 and 2023) is a high-quality choice for drivers who don't want to compromise on performance and style, even in the winter months. This set consists of two different rim sizes: 9J x 20 ET50 at the front and 10.5J x 20 ET64 at the rear, which are perfectly matched to the dynamics and aesthetics of the Porsche Cayenne. The rims are fitted with Pirelli winter tyres, which ensure excellent traction and safety in cold and wet conditions. The tyre dimensions are 275/45 R20 at the front and 305/40 R20 at the rear, ensuring optimum road holding and stability in winter conditions. An additional feature of this wheel set are the TPMS (tyre pressure monitoring system) sensors, which constantly monitor the pressure in the tyres, thus ensuring increased driving safety.

Please note that this wheel set is not suitable for the Porsche Cayenne Coupé. The OEM numbers for this product are 9Y0044612C and 9Y0044602C, which confirms its authenticity and quality as Porsche original parts.

The condition of the item is new, which means you will receive an unused, undamaged product delivered directly from Porsche. This set of winter wheels is an excellent investment to keep your Cayenne safe and stylish throughout the winter.

Technical specifications

Front rims:	Article number: 9Y0601025DH88Z
	Quantity: 2
	Rim width: 9J
	Rim diameter (inch):
