## Product description

This set of 20" SportDesign II winter wheels for the Porsche Cayenne model 958 (built between 2010 and 2017) combines stylish design with high functionality for the winter months. The rims measure 9J x 20 ET57 and are fitted with new Pirelli winter tyres in size 275/45 R20, which offer optimum traction and safety in winter conditions. The wheels are not equipped with TPMS sensors (tyre pressure monitoring system sensors), which should be taken into account during installation. The rims themselves are in mint condition with very low mileage and possibly minimal signs of use or storage. The tyres are brand new (0 km mileage), ensuring excellent performance and durability. The OEM numbers for these specific wheels are 95804460077, 95804460057 and 95804460027. These genuine Porsche parts guarantee a perfect fit and trouble-free installation, as well as compliance with Porsche's high quality standards. This wheel set is an excellent choice for drivers who value safety and performance while also wanting to enhance the aesthetic appearance of their Porsche Cayenne during the winter months.
