## Product description

Enhance your Porsche Cayenne Coupé E3/9Y0 II (Facelift model from 2023 onwards, specifically for Cayenne Coupé) with this exquisite set of 21" RS Spyder Design winter wheels. This set includes high-gloss black rims sized at 9.5J x 21 ET46 for the front and 11.0J x 21 ET49 for the rear, perfectly complementing the dynamic aesthetics of your vehicle.

The wheels are equipped with brand new Michelin Pilot Alpin 5 SUV winter tires, measuring 285/45 R21 at the front and 305/40 R21 at the rear, ensuring optimal grip and performance in winter conditions. These tires are renowned for their excellent traction and stability, providing a safe and comfortable driving experience during the colder months.

Additionally, the set comes with Tire Pressure Monitoring System (TPMS) sensors installed, enhancing your safety by providing real-time tire pressure information directly to your vehicle's dashboard. This feature is crucial for maintaining proper tire pressure, which is vital for efficient fuel consumption and tire longevity.

The OEM number for this product is 9Y0044633C, confirming its authenticity as a genuine Porsche accessory, designed and manufactured to meet the highest standards of quality and fit for your specific model.

This set is listed as used; however, it includes Porsche Original parts with the rims being in near-new condition (low mileage) and possibly showing minimal signs of wear or storage marks. The tires are brand new with zero kilometers on them, ensuring you receive top-quality, reliable components for your luxury vehicle.

Upgrade your Porsche Cayenne Coupé with these stylish and functional winter wheels and tires, combining performance with an elegant look to enhance your driving experience during the winter season.
