Price:	6.330,80 € (nett:5.320,00 €)

Product description

This set of 21" RS Spyder winter wheels is specifically designed for the Porsche Cayenne Coupé E3/9Y0 model, covering the pre-facelift years from 2019 to 2023. The set includes two sizes of rims: front rims measuring 9.5J x 21 ET46 and rear rims measuring 11.0J x 21 ET49, both finished in a sophisticated Platinum Matte. These rims are paired with brand new Michelin winter tires, sizes 275/40 R21 for the front and 305/35 R21 for the rear, ensuring excellent traction and performance in winter conditions.

Each wheel is equipped with RDK sensors for tire pressure monitoring, enhancing safety and maintenance convenience. The OEM number for this set is 9Y0044632H OB5, confirming its authenticity as a genuine Porsche part. Although listed as used, the rims are in near-new condition with very low mileage and possibly minimal signs of handling or storage. The tires are brand new with zero kilometers on them, ensuring top-notch quality and performance.

This wheel set is an excellent choice for Porsche Cayenne Coupé owners looking to equip their vehicle with reliable, stylish, and high-performance winter wheels that maintain the aesthetic integrity and driving dynamics specific to Porsche standards.

Technical specifications

Front rims:	Article number: 9Y0601025BFOB5 Quantity: 2 Rim width: 9,5J Rim diameter (inch): Offset (ET):
