### Product description

This high-quality 21-inch GT3 wheel in silk matt black, specifically designed for the Porsche 911 model 992, is an excellent choice for vehicle owners who value aesthetics and performance. The wheel measures 11.5J x 21 ET46 and offers a perfect combination of style and functionality.

The OEM number 9GT601025C JE1 guarantees that this is an original Porsche part, ensuring a seamless fit and high quality. This product is used but in very good condition with no damage, making it a cost-effective alternative to buying new.

The rim is suitable for both the left and right sides of the vehicle and has been specially designed for mounting on the rear of the vehicle. The wide dimension of 11.5J allows for improved road grip and stability, ideal for sporty driving manoeuvres and increased driving dynamics.

The matt black finish gives your Porsche 911 an elegant yet sporty look that is sure to turn heads. Whether you want to improve performance or simply enhance the appearance of your car, this GT3 rim is an excellent choice.
