Price:	5.860,14 € (nett:4.924,49 €)

Product description

This set of 22" summer wheels in 911 Turbo design is specially designed for the Porsche Cayenne E3/9Y0 II (facelift from 2023), but is not suitable for the Cayenne Coupe. The wheel combination includes rims in sizes 10J x 22 ET48 and 11.5J x 22 ET61, presented in an impressive high-gloss black finish. These are fitted with high-quality Pirelli summer tyres in sizes 285/40 R22 and 315/35 R22, which ensure optimum performance and safety during the warmer months.

The wheels are equipped with tyre pressure monitoring system sensors (TPMS sensors) that constantly monitor the air pressure and thus contribute to driving safety. This set is an excellent choice for drivers who are looking for both functionality and aesthetic elegance. The rims and tyres are new, unused and undamaged, making them a reliable option for your vehicle.

The OEM number for this wheel set is 9Y0044663T, which confirms its authenticity and quality as Porsche original parts. This product is only suitable for Porsche Cayenne models > model 9Y0 (from 2023) and ensures that the vehicle specifications are exactly met to guarantee the best possible performance and fit.

Technical specifications

Front rims:	Article number: 9Y0601025DRQ01
	Quantity: 2
	Rim width: 10J
	Rim diameter (inch): 22"
	Offset (ET): 52
Rear rims:	Article number: 9Y0601025DSQ01
	Quantity: 2
