Product description

Upgrade your Porsche Cayenne E3/9Y0 II (Facelift 2023-) with the 22" Exclusive Design Sport Winter Wheels, specifically designed to enhance both the aesthetics and performance of your vehicle during the colder months. These wheels are exclusively tailored for the Porsche Cayenne Coupé E3/9Y0 II post-facelift models, ensuring a perfect fit and optimal functionality.

The set includes two sizes of rims: the front rims are 10J x 22 ET48 and the rear rims are 11.5J x 22 ET61, both finished in an elegant Platinum Silver that adds a touch of sophistication to your vehicle's appearance. The wheels are equipped with high-quality Pirelli winter tires, sizes 285/40 R22 for the front and 315/35 R22 for the rear, providing excellent traction and stability in winter conditions.

These wheels are not just about looks; they are designed to maintain the high performance and safety standards expected from Porsche. The larger rear wheels help in managing the power output and improve the handling on snowy or icy roads.

This product is brand new, unused, and undamaged, ensuring that you receive only the highest quality. The OEM number for these wheels is 9Y0044604Q, confirming their authenticity as original Porsche parts.

Whether you're looking to prepare your Porsche Cayenne for winter or just want to enhance its look, these 22" Exclusive Design Sport Winter Wheels are an excellent choice.
