Product description

The Porsche 911 combines tradition and innovation, performance and efficiency unlike any other sports car – and has done so since 1963. The specially designed anniversary edition of the Porsche Design P'8966 sunglasses is an exclusive special model from the Flowing Titanium Series. The shape of the frame is inspired by the unmistakable silhouette of the Porsche 911. The 3D temples produce a precise edge of light that creates an exciting interplay of light and shadow. Based on the sports car's rim design, the ends of the temples are coloured in an elegant fashion. The Porsche Design lettering adorns the left temple, while the inside of the right temple features the lettering '60Y 911'. Made of 100% ultra-light titanium. Limited to 911 units, with laser-engraved limited-edition number.
