### Product description

Explore the City of Lights with the Type 7 Travel Guide to Paris, our latest addition to the Type 7 Travel Guides series following Milan and Tokyo. With a curated selection of over 200 locations, all tried, tested, and lovingly photographed by the Type 7 team and broken down into six essential categories, the book is the ultimate companion to experiencing the French capital like a local. From established, century-old bistros to up-and-coming niche listening bars, each spot that makes Paris a must-visit destination for fashion, art and gastronomy is highlighted with thoughtful descriptions and rich analog photography. To help the reader navigate the city's vast offerings, essential stops are marked with the "24 Hours in Paris" badge.

Presented as a hardcover volume and clad in a beautiful shade of French blue linen, the Type 7 Travel Guide to Paris is both an immersive guide for the discerning traveler and a collectible object owners can proudly display in their homes. Designed and Published by ERG Media
