Product description

Enhance the interior aesthetics of your Porsche 911 model 991 with this exquisite carbon fiber trim set, specifically designed for right-hand drive UK versions. This set includes a decorative trim piece that integrates a beverage holder, combining functionality with elegance. The trim set is crafted from high-quality carbon fiber, ensuring durability and a premium finish that complements the luxurious interior of your Porsche.

OEM Number: 99155298127BX3

This product is suitable for Porsche 911 models under the 991 series and is an original Porsche part, guaranteeing perfect fit and finish. The condition of the item is used but remains in excellent condition with no damage, ensuring it meets the high standards expected from Porsche components.

This trim set not only enhances the visual appeal of your vehicle's interior but also adds practicality with its integrated beverage holder, making it a perfect upgrade for enhancing both style and functionality in your Porsche 911.
