Product description

The Studio Mug is not just a striking piece with Porsche DNA: when paired with the matching lid, available separately, this stainless steel mug keeps drinks (hot or cold) at the right temperature for hours on end. Thanks to its stainless steel handle, whose shape is inspired by half of the Porsche crest, it sits perfectly in the hand.

Your everyday companion, allowing you to enjoy the true Porsche lifestyle in the comfort of your own home:

When used with the lid: it keeps drinks at the right temperature for up to 11 hours for cold drinks and up to 7 hours for hot drinks.

Internal ceramic coating: taste-neutral, stain-resistant, heat-resistant and scratch-resistant, easy to clean.

In Crayon body colour with a physical Porsche crest in Turbonit, to match your car.

The internal thread fits the lid perfectly (sold separately; also fits the 460 ml thermal mug).

Design: Studio F. A. Porsche.

Capacity approx. 370 ml.
