Suitable for:	Porsche Cayenne > Model 958 (10-17), 2010-2018 Porsche Panamera, 2009-2016
Side:	
Available:	shipping in 3-7 days* *provided the product is available at the manufacturer
Price:	2.970,22 € (nett:2.495,98 €)

Product description

This high-pressure pump/fuel pump is an essential spare part for the first-generation Porsche Panamera (G1/970) and the second-generation Porsche Cayenne (E2/958), especially for the Turbo models. It is a new, unused and undamaged original part from Porsche, which guarantees optimum performance and reliability.

The pump is designed to deliver fuel at high pressure to the engine's injection system, which is crucial for efficient combustion and maximum performance, especially in turbo engines. The use of original parts such as this pump ensures that the exact specifications of the vehicle manufacturer are met, which can extend the life of the engine and help maintain the warranty.

The corresponding OEM numbers for this high-pressure pump are 94811031582, 94811031581, 94811031580, 94811031572, 94811031571, and 94811031570. These numbers are important for checking compatibility with your specific vehicle model.

This part is suitable for the following models: - Porsche Panamera (G1/970) - Porsche Cayenne, model 958 (built between 2010 and 2017) This high-pressure pump should ideally be installed by a professional to ensure that it works correctly and supports the performance of your vehicle optimally.
